Circus Visits
 The Los Angeles City Recreation and Parks Department travelling circus will visit Normandale Recreation Center, 22400 S. Halldale Ave., Monday, Aug. 31. quarter-mile intervals. When a motorist presses the button on the box, the location is flashed to the police department communications center and a patrolman is dispatched. An average of 10 calls per day was registered on the call boxes in the downtown Los Angeles area. "It is essential that this system be expanded to bring quick assistance to motorists stranded on the freeway or involved in accidents, both for the individual motorist's benefit and to prevent huge traffic snarl-ups," said Hahn.
